144 points must be completed to qualify for the degree of Bachelor of Business Information Systems, with the following conditions:

- normally 48 points, and a maximum of 60 points, of first year level units will be counted;
- at least 36 points must be completed at second year level
- at least 36 points must be completed at third year level
- 36 points of free electives.

All units are 6 points unless indicated otherwise

*** BBIS students who commenced study in 2009 or earlier have been exempted from the requirement to complete 18 points of Business and Economics Electives. These electives can be replaced by free electives.**

**** Please see <http://www.infotech.monash.edu.au/bbis> for specified Approved BBIS Electives**

All course variations must be approved by the Course Director and will be confirmed in writing.

This course map shows a recommended progression only. Some units can be taken in semesters other than those indicated above. Students completing units in a different sequence to that indicated above should be aware of unit prerequisites and semesters of offering prior to varying their course progression. Please see a Course Advisor for any queries.
