FIT2008 Networks and data communications - Semester 2, 2011

This unit will introduce students to fundamentals of distributed networked environment. The unit provides knowledge of internetworking standards and understanding of the networking architecture, technology and operation.

Mode of Delivery

Sunway (Day)

Contact Hours

2 hrs lectures/wk, 2 hrs laboratories/wk

Workload

Students will be expected to spend a total of 12 hours per week during semester on this unit as follows:

- A two-hour lecture and
- A two-hour tutorial (or laboratory) requiring advance preparation
- A minimum of 8 hours of personal study in order to satisfy the reading and assignment expectations.

(Off-campus students generally do not attend lecture and tutorial sessions, however, you should plan to spend equivalent time working through the relevant resources and participating in discussion groups each week.)

Unit Relationships

Prohibitions

BUS2062, CSE2004, CSE2318, CSE3318, GCO3812, CPE1007, FIT1005, BUS3150

Chief Examiner

Dr Asad Khan

Campus Lecturer

Sunway

Chan Ee Lyn

Tutors

Chan Ee Lyn

Academic Overview

Learning Objectives

At the completion of this unit students will have -
The ability to:

- discuss network architecture standards for open systems;
- describe ISO reference and Internet models;
- explain fundamentals and technologies of physical, data-link and network layers;
- understand the functions and architectures of LAN and WAN; and
- analyse and design LAN architecture for organisational requirements.

Developed attitudes that enable them to:

- adopt a problem solving approach;
- accept the code of professional conduct and practice; and
- act in accordance with best practice, industry standards and professional ethics.

Developed the skills to:

- gain practical skills to analyse data communication networks.

Demonstrated the communication skills necessary to:

- cooperate effectively within small groups; and
- present their work in various forms.

Graduate Attributes

Monash prepares its graduates to be:

1. responsible and effective global citizens who:

- a. engage in an internationalised world
- b. exhibit cross-cultural competence
- c. demonstrate ethical values

critical and creative scholars who:

- a. produce innovative solutions to problems
- b. apply research skills to a range of challenges
- c. communicate perceptively and effectively

Assessment Summary

Examination (2 hours): 50%; In-semester assessment: 50%

| Assessment Task | Value | Due Date |
|------------------------|--------------|--|
| Assignment 1 | 15% | Week 5 - Monday 22 August 2011 at 12PM |

Academic Overview

| | | |
|------------------------|-----|---|
| Assignment 2 | 20% | Week 12 - Monday 17 October 2011 at 12PM |
| Hands-on Lab Practical | 5% | During Week 7 labs - starting Monday 5 September 2011 |
| Unit Test | 10% | During the Week 08 lecture |
| Examination 1 | 50% | To be advised |

Teaching Approach

Lecture and tutorials or problem classes

This teaching and learning approach provides facilitated learning, practical exploration and peer learning.

Feedback

Our feedback to You

Types of feedback you can expect to receive in this unit are:

- Informal feedback on progress in labs/tutes
- Graded assignments with comments

Your feedback to Us

Monash is committed to excellence in education and regularly seeks feedback from students, employers and staff. One of the key formal ways students have to provide feedback is through SETU, Student Evaluation of Teacher and Unit. The University's student evaluation policy requires that every unit is evaluated each year. Students are strongly encouraged to complete the surveys. The feedback is anonymous and provides the Faculty with evidence of aspects that students are satisfied and areas for improvement.

For more information on Monash's educational strategy, and on student evaluations, see:

<http://www.monash.edu.au/about/monash-directions/directions.html>

<http://www.policy.monash.edu/policy-bank/academic/education/quality/student-evaluation-policy.html>

<https://emuapps.monash.edu.au/unitevaluations/index.jsp>

Required Resources

Wireshark

Wireshark is freely available from - <http://www.wireshark.org/>

Unit Schedule

| Week | Activities | Assessment |
|------|---|---|
| 0 | No lecture | No formal assessment is undertaken in Week 0 |
| 1 | Introduction to Data Communications, Data Networking, and Protocol Architecture | |
| 2 | Data Transmission: Signals and their characteristics | |
| 3 | Transmission Media | |
| 4 | Signal Encoding Techniques | |
| 5 | Signal Encoding Techniques (continued) | Assignment 1 due on Monday 22 August 2011 at 12PM |
| 6 | Digital Data Communications Techniques | |
| 7 | Data Link Control | Hands-on 2 assessment - During Week 7 labs - starting Monday 5 September 2011 |
| 8 | Multiplexing | Unit Test, during this week's lecture |
| 9 | LAN Overview | |
| 10 | High Speed LANs | |
| 11 | Internetworking | |
| 12 | Internetworking | Assignment 2 due on Monday 17 October 2011 at 12PM |
| | SWOT VAC | No formal assessment is undertaken in SWOT VAC |
| | Examination period | LINK to Assessment Policy: http://policy.monash.edu.au/policy-bank/academic/education/assessment/assessment-in-coursework-policy.html |

*Unit Schedule details will be maintained and communicated to you via your MUSO (Blackboard or Moodle) learning system.

Assessment Requirements

Assessment Policy

To pass a unit which includes an examination as part of the assessment a student must obtain:

- 40% or more in the unit's examination, and
- 40% or more in the unit's total non-examination assessment, and
- an overall unit mark of 50% or more.

If a student does not achieve 40% or more in the unit examination or the unit non-examination total assessment, and the total mark for the unit is greater than 50% then a mark of no greater than 49-N will be recorded for the unit

Assessment Tasks

Participation

• Assessment task 1

Title:

Assignment 1

Description:

This assignment tests your theoretical understanding of the introductory data communications concepts through a series of short answer questions and a short essay relating to a networking topic.

Weighting:

15%

Criteria for assessment:

1. Completeness - that you have answered all parts of each question.
2. Presentation - that you have presented your answers in a suitably formatted report style.
3. Use of evidence and argument - you are able to explain your position by using logical argument drawing on the theory presented in the unit.

Due date:

Week 5 - Monday 22 August 2011 at 12PM

• Assessment task 2

Title:

Assignment 2

Description:

This is a group assignment. It provides an opportunity for you to apply data communications concepts to a practical networking example. You will be required to analyse a case study and make networking recommendations based on the user requirements. This assignment will also allow you to present your solutions in a formal report format. It includes a component on wide area networking.

Weighting:

20%

Criteria for assessment:

Assessment Requirements

1. Correctness and understanding - there may be more than one "right" answer in many cases. We will look for answers that reflect understanding of the underlying principles and theories.
2. Completeness - that you have answered all parts of each question.
3. Presentation - that you have presented your answers in a suitably formatted report style.
4. Use of evidence and argument - you are able to explain your position by using logical argument drawing on the theory presented in the unit.

A marking guide will be provided on the unit website detailing the overall marks distribution and for allocating marks in a way that recognizes different contributions of group members for this assessment.

Due date:

Week 12 - Monday 17 October 2011 at 12PM

• **Assessment task 3**

Title:

Hands-on Lab Practical

Description:

Students will be asked to perform a set of networking tasks in the lab and note their results. The results will be assessed.

Weighting:

5%

Criteria for assessment:

1. Completeness - that you have answered all parts of each question.
2. Presentation - that you have presented your answers in a suitably formatted report style.

Due date:

During Week 7 labs - starting Monday 5 September 2011

• **Assessment task 4**

Title:

Unit Test

Description:

The unit test will be conducted during the lecture of teaching week 08. the total time for the test will be one hour. It will be closed book. No electronic devices will be permitted for use in the test except non-programmable calculators.

Weighting:

10%

Criteria for assessment:

1. Completeness - that you have answered all parts of each question.
2. Presentation - that you have presented your answers in a suitably formatted report style.

Due date:

During the Week 08 lecture

Examinations

• Examination 1

Weighting:

50%

Length:

2 hours

Type (open/closed book):

closed book

Electronic devices allowed in the exam:

Only non-programmable calculators will be allowed in the exam.

Assignment submission

It is a University requirement

(<http://www.policy.monash.edu/policy-bank/academic/education/conduct/plagiarism-procedures.html>) for students to submit an assignment coversheet for each assessment item. Faculty Assignment coversheets can be found at <http://www.infotech.monash.edu.au/resources/student/forms/>. Please check with your Lecturer on the submission method for your assignment coversheet (e.g. attach a file to the online assignment submission, hand-in a hard copy, or use an online quiz).

Extensions and penalties

Submission must be made by the due date otherwise penalties will be enforced.

You must negotiate any extensions formally with your campus unit leader via the in-semester special consideration process:

<http://www.infotech.monash.edu.au/resources/student/equity/special-consideration.html>.

Returning assignments

Students can expect assignments to be returned within two weeks of the submission date or after receipt, whichever is later

Other Information

Policies

Monash has educational policies, procedures and guidelines, which are designed to ensure that staff and students are aware of the University's academic standards, and to provide advice on how they might uphold them. You can find Monash's Education Policies at:

<http://policy.monash.edu.au/policy-bank/academic/education/index.html>

Key educational policies include:

- Plagiarism
(<http://www.policy.monash.edu/policy-bank/academic/education/conduct/plagiarism-policy.html>)
- Assessment
(<http://www.policy.monash.edu/policy-bank/academic/education/assessment/assessment-in-coursework-p>)
- Special Consideration
(<http://www.policy.monash.edu/policy-bank/academic/education/assessment/special-consideration-policy.h>)
- Grading Scale
(<http://www.policy.monash.edu/policy-bank/academic/education/assessment/grading-scale-policy.html>)
- Discipline: Student Policy
(<http://www.policy.monash.edu/policy-bank/academic/education/conduct/student-discipline-policy.html>)
- Academic Calendar and Semesters (<http://www.monash.edu.au/students/key-dates/>);
- Orientation and Transition (<http://www.infotech.monash.edu.au/resources/student/orientation/>);
and
- Academic and Administrative Complaints and Grievances Policy
(<http://www.policy.monash.edu/policy-bank/academic/education/management/complaints-grievance-policy>)
- Codes of Practice for Teaching and Learning
(<http://www.policy.monash.edu.au/policy-bank/academic/education/conduct/suppdocs/code-of-practice-tea>)

Student services

The University provides many different kinds of support services for you. Contact your tutor if you need advice and see the range of services available at www.monash.edu.au/students. The Monash University Library provides a range of services and resources that enable you to save time and be more effective in your learning and research. Go to <http://www.lib.monash.edu.au> or the library tab in my.monash portal for more information. Students who have a disability or medical condition are welcome to contact the Disability Liaison Unit to discuss academic support services. Disability Liaison Officers (DLOs) visit all Victorian campuses on a regular basis

- Website: <http://adm.monash.edu/sss/equity-diversity/disability-liaison/index.html>;
- Telephone: 03 9905 5704 to book an appointment with a DLO;
- Email: dlu@monash.edu
- Drop In: Equity and Diversity Centre, Level 1 Gallery Building (Building 55), Monash University, Clayton Campus.
