## Teaching Approach

### Lecture and tutorials or problem classes

This teaching and learning approach provides facilitated learning, practical exploration and peer learning.

## Feedback

### Our feedback to You

Types of feedback you can expect to receive in this unit are:

- Graded assignments with comments
- Solutions to tutes, labs and assignments

### Your feedback to Us

Monash is committed to excellence in education and regularly seeks feedback from students, employers and staff. One of the key formal ways students have to provide feedback is through SETU, Student Evaluation of Teacher and Unit. The University's student evaluation policy requires that every unit is evaluated each year. Students are strongly encouraged to complete the surveys. The feedback is anonymous and provides the Faculty with evidence of aspects that students are satisfied and areas for improvement.

For more information on Monash's educational strategy, and on student evaluations, see:

## Assessment Tasks

### Participation

#### • Assessment task 1

**Title:**

Assignment 1

**Description:**

This assignment tests students' understanding of strategic adoption of IT for electronic commerce implementation in organisations and the CIO's role in those strategic changes. It consists of case-study-based questions and essays. It will mainly focus on materials covered in study guides 1 and 2.

**Weighting:**

20%

**Criteria for assessment:**

1. Correctness and understanding - there may be more than one "right" answer in many cases. We will look for answers that reflect understanding of the underlying principles and theories which are covered in this unit.
2. Completeness - that you have answered all parts of each question.
3. Presentation - that you have presented your answers in a suitably structured style.
4. Use of evidence and argument - you are able to explain your position by using logical arguments drawing on the theory presented in the unit. Examples from case studies should also be used as evidence.

A document stating how you can gauge the quality of your assessment will be released on the unit website.

**Due date:**

31 August 2012 midnight

#### • Assessment task 2

**Title:**

Assignment 2

**Description:**

This assignment tests students' understanding of a number IT practices in big organisations, e.g. outsourcing, system integration, management practices, human capital, etc. It consists of case-study-based questions and essays. It will mainly focus on materials covered in study guides 3 to 6.

**Weighting:**

30%

**Electronic devices allowed in the exam:**

None

## Assignment submission

It is a University requirement

(<http://www.policy.monash.edu/policy-bank/academic/education/conduct/plagiarism-procedures.html>) for students to submit an assignment coversheet for each assessment item. Faculty Assignment coversheets can be found at <http://www.infotech.monash.edu.au/resources/student/forms/>. Please check with your Lecturer on the submission method for your assignment coversheet (e.g. attach a file to the online assignment submission, hand-in a hard copy, or use an online quiz).

## Online submission

If Electronic Submission has been approved for your unit, please submit your work via the VLE site for this unit, which you can access via links in the my.monash portal.

## Extensions and penalties

Submission must be made by the due date otherwise penalties will be enforced.

You must negotiate any extensions formally with your campus unit leader via the in-semester special consideration process:

<http://www.infotech.monash.edu.au/resources/student/equity/special-consideration.html>.

## **Returning assignments**

Students can expect assignments to be returned within two weeks of the submission date or after receipt, whichever is later.
