FIT2003 IT professional practice - Semester 1, 2013

This unit provides a practical and theoretical introduction to what it means to be an IT professional today. Students will encounter a range of issues relevant to professional practice in the workplace, as well as an understanding of the wider responsibilities that professionals are called upon to uphold in society. Topics addressed include: organisational and professional communication; teamwork; the nature of the IT professions; the role of professional associations; problem solving and information use; cross-cultural awareness; personal and professional ethics and codes of practice.

Mode of Delivery

- Clayton (Day)
- Gippsland (Day)
- Gippsland (Off-campus)
- Sunway (Day)

Contact Hours

2hrs lectures/wk, 2 hrs tutorials/wk, 1 hr meeting/wk

Workload requirements

Students will be expected to spend a total of 12 hours per week during semester on this unit as follows:

For on-campus students:

- Lectures: two hours per week
- Tutorials: two hours per week (requiring advance preparation)
- Meetings: one hour per week (when working on group projects)

and up to an additional 8 hours in some weeks for completing lab and project work, private study and revision.

Off-campus students generally do not attend lecture and tutorial sessions, however, you should plan to spend equivalent time working through the relevant resources and participating in discussion groups each week.

Academic Overview

Learning Outcomes

On completion of this unit, students will understand and demonstrate what it means to be an IT professional. They will:

- be familiar with the variety of roles available to IT professionals;
- understand the role and function of professional associations;
- demonstrate an understanding of the ACS code of ethics and the rights and responsibilities of IT professionals;
- identify and discuss the organisational and social impacts arising from the use of IT, and the ethical dimensions associated with IT-related decisions;
- be able to explain and demonstrate the elements of effective communication and interpersonal communication skills;
- be sensitive to and demonstrate understanding of cultural differences to improve intercultural communication;
- be able to select and use strategies for effective and efficient productive (speaking and writing) and receptive (reading and listening) communications;
- describe the purpose, protocols, roles and procedures for meetings and interviews;
- understand the need to and demonstrate the ability to work co-operatively and manage conflict;
- demonstrate the ability to make effective use of technology in oral and written communication; and
- develop information gathering, critical evaluation (information and sources) and problem solving skills.

Teaching Approach

Lecture and tutorials or problem classes

This teaching and learning approach provides facilitated learning, practical exploration and peer learning.
Assessment Requirements

Assessment Policy

Faculty Policy - Unit Assessment Hurdles

Academic Integrity - Please see the Demystifying Citing and Referencing tutorial at http://lib.monash.edu/tutorials/citing/

Assessment Tasks

Participation

Students will be assessed on preparation and participation in tutorial activities (10%).

Preparation will be assessed in terms of thoroughness. Participation will be assessed in terms of attendance with contributions to group discussions and level of engagement in tutorial activities, as well as questions produced in Week 12 tutorial. Tutorial activities will also contribute to the eFolio part of the assessment tasks.

As such, there is an expectation that attendance will exceed 70% and as such, attendance will be taken at tutorials. Failure to do so may result in difficulties with passing the unit. For applying for special consideration refer to the link provided under ‘Extensions and penalties’ at the end of this section.

• Assessment task 1

Title: eFolio

Description: Students must produce a range of written documents from tutorial activities. These will be collected in a Google-Drive folder that will form an "eFolio".

Weighting: 10%

Criteria for assessment:
Criteria for assessing the folio are:

1. Inclusion of all specified documents
2. Appropriateness of contents
3. Quality of writing
4. Quality of presentation

Due date: Throughout semester, but finalised by Monday 13 May 2013, start of Week 10

Remarks: Students should complete this throughout the semester after the relevant tutorial activities. They may also seek feedback during the semester on drafts at the scheduled tutor sessions.
• **Assessment task 2**

**Title:**
Assignment 1 - Individual Presentation

**Description:**
Students must analyse and verify an article in the media on an IT related topic, then give a 5 minute oral presentation to their tutorial class, supported by a visual presentation.

**Weighting:**
10%

**Criteria for assessment:**
Criteria for assessment are:

1. Selection and organisation of content
2. Voice (e.g., audibility, intonation, variation)
3. Use of language (e.g., vocabulary, appropriate level, use of jargon)
4. Timing
5. Non-verbal communication (e.g., body language, eye contact)
6. Quality of visual aids

**Due date:**
Week 6 (during tutorial class)

**Remarks:**
Students will also be expected to fill in feedback forms on other students' presentations.

• **Assessment task 3**

**Title:**
Assignment 1 - Individual Report

**Description:**
The students must produce a written report (500 words) on the IT article they have researched and presented for the first part of this assignment.

**Weighting:**
10%

**Criteria for assessment:**
Criteria for assessment are:

1. Depth of analysis of the chosen article and its sources
2. Extent of research done to verify articles content (i.e. own sources)
3. Organisation of report
4. Quality of writing (including spelling and grammar)
5. Quality of presentation
6. Appropriate citation of sources

**Due date:**
Week 6, Friday 19 April 2013

• **Assessment task 4**

**Title:**
Assignment 2 - Organisational and Social Impacts of Information Technology - Team Presentation

**Description:**
Students will present a 15 minute team research project on a topic related to the Professional Issues aspects of this unit.

**Weighting:**
10%
Assessment Requirements

Criteria for assessment:
All students in a team will get the same mark for the following assessment criteria:

1. Selection and organisation of content
2. Co-ordination of multiple speakers
3. Quality of visual aids
4. Timing

Each student will receive an individual mark for the following assessment criteria:

1. Voice (audibility, intonation, variation)
2. Use of language (e.g., vocabulary, appropriate level, use of jargon)
3. Non-verbal communication (e.g., body language, eye contact)

Due date:
Week 11 (during tutorial class)

• Assessment task 5

Title:
Assignment 2 - Organisational and Social Impacts of Information Technology - Written Report

Description:
Students must produce a 2000 word written report on the resources they have contributed to the Resource Kit team project.

Weighting:
15%

Criteria for assessment:
Each student in a team will write an individual report, so this component of the project does not involve any assessment of the team project as a whole.

Criteria for assessment are:

1. Appropriateness of resources selected
2. Content of report (e.g. analysis of resources, reflections on team dynamics)
3. Organisation of report
4. Quality of writing
5. Quality of presentation
6. Accuracy of the bibliographical details

Due date:
Week 11, Friday 24 May 2013

• Assessment task 6

Title:
Assignment 2 - Organisational and Social Impacts of Information Technology - Resource Kit Summary

Description:
Each team should produce an online summary (on the Moodle Wiki for their tutorial group) of the resource kit they have compiled on the nominated topic related to IT Professional practice, as well as an email announcement. There is no specific word requirement for this assessment.

Weighting:
5%

Criteria for assessment:
Assessment Requirements

Criteria for assessment are:

1. Selection of resources (e.g. complementary, no duplication)
2. Organisation and presentation of summary
3. Quality of the email, in terms of content, layout, tone and grammar

All team members will receive the same group mark for this component.

Due date:
Week 11, Friday 24 May 2013

• Assessment task 7

Title:
Tutorial preparation and participation

Description:
Students will be assessed on preparation and participation in tutorial activities, including the questions to be given in the final 2 hours of the Week 12 tutorial.

Weighting:
10%

Criteria for assessment:
Criteria for assessment are:

1. Preparation will be assessed in terms of thoroughness
2. Participation will be assessed in terms of contributions to group discussions and level of engagement in tutorial activities
3. Relevance and quality of submitted questions from the Week 12 tutorial

Due date:
Throughout semester

• Assessment task 8

Title:
English Proficiency Test

Description:
Students will be assessed on the following technical aspects of their English proficiency.

Weighting:
5%

Criteria for assessment:
Criteria for assessment are:

♦ Use of correct grammar
♦ Understanding on how to develop and organise information for good writing

Due date:
Week 5, Friday 12 April 2013

Feedback to you

Types of feedback you can expect to receive in this unit are:

- Informal feedback on progress in labs/tutes
- Graded assignments with comments
- Quiz results
- Other: Feedback during tutor and lecturer consultation sessions

Extensions and penalties

Submission must be made by the due date otherwise penalties will be enforced.

You must negotiate any extensions formally with your campus unit leader via the in-semester special consideration process:

Returning assignments

Students can expect assignments to be returned within two weeks of the submission date or after receipt, whichever is later.

Resubmission of assignments

No resubmissions allowed.

Referencing requirements

In line with Faculty policy students must follow the American Psychological Association (APA) Style Guide: http://www.lib.monash.edu.au/tutorials/citing/apa.html

Assignment submission

It is a University requirement (http://www.policy.monash.edu/policy-bank/academic/education/conduct/plagiarism-procedures.html) for students to submit an assignment coversheet for each assessment item. Faculty Assignment coversheets can be found at http://www.infotech.monash.edu.au/resources/student/forms/. Please check
Assessment Requirements

with your Lecturer on the submission method for your assignment coversheet (e.g. attach a file to the online assignment submission, hand-in a hard copy, or use an online quiz).

Online submission

If Electronic Submission has been approved for your unit, please submit your work via the learning system for this unit, which you can access via links in the my.monash portal.

Required Resources

Please check with your lecturer before purchasing any Required Resources. Limited copies of prescribed texts are available for you to borrow in the library, and prescribed software is available in student labs.

Students will be expected to make their assignment work available online (via Google Documents, or other such sites).

Prescribed text(s)

Limited copies of prescribed texts are available for you to borrow in the library.

Recommended Resources

Teaching material will be provided on the unit Moodle site.

Recommended text(s)

Examination material or equipment

No materials or equipment will be permitted in the examination room other than standard writing implements.

Dictionaries are allowed.

**Your feedback to Us**

Monash is committed to excellence in education and regularly seeks feedback from students, employers and staff. One of the key formal ways students have to provide feedback is through the Student Evaluation of Teaching and Units (SETU) survey. The University’s student evaluation policy requires that every unit is evaluated each year. Students are strongly encouraged to complete the surveys. The feedback is anonymous and provides the Faculty with evidence of aspects that students are satisfied and areas for improvement.

For more information on Monash’s educational strategy, see:

www.monash.edu.au/about/monash-directions and on student evaluations, see:

www.policy.monash.edu/policy-bank/academic/education/quality/student-evaluation-policy.html

**Previous Student Evaluations of this Unit**

Based on student feedback we are retaining the use of the Wiki for Assignment 2, but each tutorial group will have its own Wiki, which should make it easier to maintain each Wiki.

The Peerwise feedback system is no longer being used, instead we are using Moodle quizzes.
