FIT2003 IT professional practice - Semester 2, 2014

This unit provides a practical and theoretical introduction to what it means to be an IT professional today. Students will encounter a range of issues relevant to professional practice in the workplace, as well as an understanding of the wider responsibilities that professionals are called upon to uphold in society. Topics addressed include: organisational and professional communication; teamwork; the nature of the IT professions; the role of professional associations; problem solving and information use; cross-cultural awareness; personal and professional ethics and codes of practice.

Mode of Delivery

- Caulfield (Day)
- South Africa (Day)

Workload Requirements

Minimum total expected workload equals 12 hours per week comprising:

(a.) Contact hours for on-campus students:

- One 2-hour lecture
- One 2-hour tutorial
- One 1-hour meeting

(b.) Study schedule for off-campus students:

- Off-campus students generally do not attend lecture and tutorial sessions, however should plan to spend equivalent time working through the relevant resources and participating in discussion groups each week.

(c.) Additional requirements (all students):

- a minimum of 7 hours of personal study in some weeks for completing lab and project work, private study and revision.

Your feedback to Us

Monash is committed to excellence in education and regularly seeks feedback from students, employers and staff. One of the key formal ways students have to provide feedback is through the Student Evaluation of Teaching and Units (SETU) survey. The University’s student evaluation policy requires that every unit is evaluated each year. Students are strongly encouraged to complete the surveys. The feedback is anonymous and provides the Faculty with evidence of aspects that students are satisfied and areas for improvement.

For more information on Monash’s educational strategy, see:
www.monash.edu.au/about/monash-directions/ and on student evaluations, see:
www.policy.monash.edu/policy-bank/academic/education/quality/student-evaluation-policy.html
Previous Student Evaluations of this Unit

Student feedback has highlighted the following strength(s) in this unit:

- Students find the tutorial exercises both engaging and relevant.

Academic Overview

Learning Outcomes

On completion of this unit, students will understand and demonstrate what it means to be an IT professional. They will:

- be familiar with the variety of roles available to IT professionals;
- understand the role and function of professional associations;
- demonstrate an understanding of the ACS code of ethics and the rights and responsibilities of IT professionals;
- identify and discuss the organisational and social impacts arising from the use of IT, and the ethical dimensions associated with IT-related decisions;
- be able to explain and demonstrate the elements of effective communication and interpersonal communication skills;
- be sensitive to and demonstrate understanding of cultural differences to improve intercultural communication;
- be able to select and use strategies for effective and efficient productive (speaking and writing) and receptive (reading and listening) communications;
- describe the purpose, protocols, roles and procedures for meetings and interviews;
- understand the need to and demonstrate the ability to work co-operatively and manage conflict;
- demonstrate the ability to make effective use of technology in oral and written communication; and
- develop information gathering, critical evaluation (information and sources) and problem solving skills.

Feedback to you

Examination/other end-of-semester assessment feedback may take the form of feedback classes, provision of sample answers or other group feedback after official results have been published. Please check with your lecturer on the feedback provided and take advantage of this prior to requesting individual consultations with staff. If your unit has an examination, you may request to view your examination script booklet, see http://intranet.monash.edu.au/infotech/resources/students/procedures/request-to-view-exam-scripts.html

Types of feedback you can expect to receive in this unit are:

- Informal feedback on progress in labs/tutes
- Graded assignments with comments
- Quiz results
- Other: Feedback during tutor and lecturer consultation sessions

Extensions and penalties

Submission must be made by the due date otherwise penalties will be enforced.

You must negotiate any extensions formally with your campus unit leader via the in-semester special consideration process: http://www.monash.edu.au/exams/special-consideration.html

Returning assignments

Students can expect assignments to be returned within two weeks of the submission date or after receipt, whichever is later.

Resubmission of assignments

No resubmissions allowed.

Referencing requirements

In line with Faculty policy students must follow the American Psychological Association (APA) Style Guide: http://www.lib.monash.edu.au/tutorials/citing/apa.html

Assignment submission

It is a University requirement for students to submit an assignment coversheet for each assessment item. Faculty Assignment coversheets can be found at http://www.infotech.monash.edu.au/resources/student/forms/. Please check with your Lecturer on the submission method for your assignment coversheet (e.g. attach a file to the online assignment submission, hand-in a hard copy, or use an online quiz). Please note that it is your responsibility to retain copies of your assessments.
Online submission

If Electronic Submission has been approved for your unit, please submit your work via the learning system for this unit, which you can access via links in the my.monash portal.

Required Resources

Please check with your lecturer before purchasing any Required Resources. Limited copies of prescribed texts are available for you to borrow in the library, and prescribed software is available in student labs.

Students will be expected to make their assignment work available online (via Google Documents, or other such sites).

Prescribed text(s)

Limited copies of prescribed texts are available for you to borrow in the library.

Recommended Resources

Teaching material will be provided on the unit Moodle site.

Additional subject costs

Clayton students are required to purchase a Turning Point clicker from the Campus Bookstore or directly from the Australian Distributor.

Examination material or equipment

No materials or equipment will be permitted in the examination room other than standard writing implements.

Dictionaries are allowed.
